TENANT shall keep premises free of insects, rodents, vermin and other pests and shall not cause or permit objectionable odors to emanate or to be dispelled from the premises. TENANT will not have unregistered or inoperable vehicles anywhere on the premises. No fire pit or open flames of any kind and no charcoal, electric, gas or any kind of grills are allowed anywhere on the premises. No wires/cable of any type shall be strung across the floor, whether taped to the floor or not. No extension cords are allowed anywhere on the premises and evidence thereof will subject TENANT to a \$150 fine. Only a cord with a circuit protection strip is allowed. Any cord placed in the strip must go directly to the appliance it serves.

13. TENANT shall be responsible for the maintenance of stopped up toilets and garbage disposal if such maintenance is required due to TENANT's negligence, i.e. tampons, food, bottle-caps, hair clogs, etc. TENANT will always have a toilet plunger available for every toilet in the house/apartment and will make sure that it is a toilet plunger and not a sink

plunger. TENANT shall be responsible for all door/window/glass breakage and screen damage regardless of circumstances. No repairs will be made by TENANT anywhere on the premises without written approval of management. 14. TENANT shall keep all smoke and carbon monoxide detectors in good working order, including keeping batteries which work in each detector, and test all smoke and carbon monoxide detectors weekly and notify LANDLORD in writing of any mechanical failure, need for repair, or replacement.

15. Each unit has one off-street parking spot and associated parking permit available for purchase for \$125 for the Lease term. A parking permit does not guarantee a space to park; it only gives permission if a space is available. Parking is monitored, and patrolled towing is in effect throughout the year, including football Saturdays. Parking privileges may be revoked, restricted and modified at the discretion of LANDLORD. Parking permits can be purchased beginning at the time of lease signing and will be provided on move-in day. Parking permits must be displayed at all times. Please be advised that LANDLORD cannot assist TENANT if a vehicle is towed; TENANT must contact Shamrock Towing at 614-882-3555. If a unit's TENANTS do not purchase a parking permit by September 3, 2015, the permit will be made available to others. TENANT agrees to return parking permit to LANDLORD on the last day of the lease period or pay a \$50 fee.

16. **TENANT will deposit with LANDLORD a sum, equal to one month's rent, as security deposit**, to guarantee the return of the premises in as good or better condition as when initially occupied. Reasonable wear and tear is accepted. If this is a lease renewal, the original security deposit will be transferred from the tenants' current lease to this renewal lease. The security deposit shall NOT be applied toward any month's rent during occupancy. Said deposit will be postmarked and returned (with appropriate deductions) to TENANT within thirty days after the expiration of the lease under the following conditions:

- A. All keys are returned to LANDLORD together with the parking permit (if applicable), and the property is vacated in clean condition by the last day of the lease period and,
- B. LANDLORD'S inspection reveals no damages to the premises, reasonable wear and tear excepted and,
- C. One TENANT, on behalf of all tenants of the unit, has submitted an online SECURITY DEPOSIT RETURN FORM designating the name, address and phone number of one individual to receive all or any portion of the deposit being refunded at that time. TENANTS understand and agree that if all tenants fail to agree on a designee, the security deposit will be made payable to all tenants who signed the lease in one check and it will be mailed to the address of the leased premises stated in this lease and rental agreement. Further, if the conditions of this lease are not complied with including rent not timely paid or if other conditions or requirements of this lease are breached or violated by TENANT, then the whole or a fractional part of the deposit may be retained by LANDLORD as partial liquidated damages without prejudice to the rights of LANDLORD to recover such damages as he may be entitled to. Any deductions from the security deposit shall be itemized and identified in writing by the LANDLORD during this same time period. This provision does not waive rights of the LANDLORD to seek damages in excess of the security deposit. The TENANT agrees to reimburse the LANDLORD for any rent, fees, utilities due and/or damages exceeding the security deposit. PODS or any other storage units are not allowed on the premises at anytime including moving in and moving out.

17. If TENANT loses a key, LANDLORD will charge a \$35.00 replacement fee. TENANT is not allowed to duplicate keys or change any interior or exterior door locks without LANDLORD's permission. All TENANT's lockout service calls attended to by the LANDLORD shall be charged to the TENANT at \$80.00 dollars per call. If all original keys to the premises are not returned to LANDLORD at the end of TENANT's tenancy, LANDLORD will replace all exterior door locks and/or mailbox locks and charge TENANT \$125 dollars for each exterior door lock replaced and \$40 for each mailbox lock replaced.

18. It is highly recommended that TENANT carry renter's insurance to cover any loss or damage of TENANT(S) (or any other occupants) personal property caused by fire, leakage or flow of water, explosion, sewer backup, rain or any other insurable hazards regardless of the cause thereof, and TENANT does hereby release LANDLORD from any and all liability for such damage or loss. If the premises are rendered unusable by fire, flood, or other casualty, LANDLORD at his option may repair the premises, or terminate the lease.

19. No rebate will be made for vacating the unit prior to the end of the rent period.

20. TENANT shall not assign this lease or sublet the premises without written consent of LANDLORD. For purposes of Summer sublet only (May-July), LANDLORD shall not unduly withhold its consent for Summer subleasing. Subtenants will not become part of this Lease and Rental Agreement; TENANT shall remain responsible to LANDLORD for all rent and other obligations contained herein. The fee for a TENANT replacement on the lease, before its expiration, will be \$500 dollars per tenant replaced.

21. TENANT shall be responsible for any damage to the premises, carpeting, or LANDLORD-owned personal property therein whether caused by TENANT, other occupants or visitors to the apartment.

22. LANDLORD or his agent or employee may inspect the premises in the event of an emergency. However, if there is no emergency situation, a 24-hour notice to TENANTS shall be given via e-mail for an intention to enter by LANDLORD, his agent or employee. TENANT shall keep all bedroom doors unlocked during all inspections and showings to prospective tenants, or to insurance and mortgage agents. LANDLORD or his agent or employee will perform 3-6 routine inspections of your premises per year, as needed, to make sure TENANT is complying with this lease agreement. Any damages caused by TENANT or TENANT's guest(s) will be immediately repaired at TENANT's expense and TENANT will reimburse LANDLORD for said repairs within seven (7) days from demand for payment from LANDLORD. Failure to reimburse LANDLORD within seven (7) days of demand for payment from LANDLORD shall constitute a lease violation and TENANT shall be subject to eviction. All repairs made by TENANT anywhere on the premises without written approval of LANDLORD, will be reversed/undone and repaired by LANDLORD at TENANT's expense (ex. drywall hole repaired by tenant will be cut out and redone by landlord in order to make sure that no plumbing, or electrical wires, or structural framing have been adversely affected by tenant's repair). There will be a 10% administrative cost added to the cost of all repairs/damages.

23. TENANT shall not install equipment, waterbeds, window A/C units, use space heaters or mini refrigerators, make alterations, additions, or improvements to the physical structure of the premises. Evidence thereof will subject TENANT to a \$150 fine, all applicable City of Columbus fines and the cost for any damage to the building resulting from TENANT's violation of this clause #23.

24. LANDLORD agrees that if TENANTS perform all of the covenants herein, they shall be entitled to possession of the herein premises during the term of this lease. Failure of LANDLORD to exercise his rights in respect of any default shall not be construed as a waiver respecting any subsequent default.

25. The execution of this lease by TENANT, LANDLORD, and GUARANTOR(S) shall constitute the transaction of business in Ohio within the meaning of Ohio Civil Rule 4.3 (A) (1) and Section 2307.382 of the Ohio Revised Code. The laws of the State of Ohio shall govern the construction and interpretation of this lease.

26. TENANT agrees to have his/her GUARANTOR(S) execute the Guaranty To Lease (attached as Exhibit A) within 4 days from TENANT's approval by LANDLORD. If he or she fails to do so, LANDLORD may terminate this lease at any time by giving notice thereof to TENANT and use the deposit to recover the cost associated with re-renting the unit. Out of country tenants will prepay their portion of the total monthly rent for the last month of the lease in lieu of having a GUARANTOR execute the Guaranty To Lease.

27. Residents remaining in the unit beyond the last day of their lease, without renewal or permission, will be charged the prorated rent per day plus an additional service charge of \$300.00 per day. In addition, LANDLORD may proceed with an eviction action and sue for damages arising out of the late move out.

28. TENANT understands that premises were built prior to 1978 and certifies having read the United States Environmental Protection Agency's Lead Based Paint Information Pamphlet, which was provided by LANDLORD prior to lease signing. LANDLORD and TENANT will complete and sign a Lead Based Paint Disclosure Form (attached as Exhibit B).

29. TENANT certifies having read LANDLORD'S Integrated Pest Management Plan and the Bed Bug Information Packet, both of which were provided by LANDLORD prior to lease signing. TENANT agrees, prior to moving into premises, to make a good-faith and thorough inspection of all the following items: 1. Mattress, 2. Box Spring, 3. Bed Frame and Headboard, 4. Couches, Sofas, Chairs and Recliners, 5. Night Stands, Dressers and Clothing, 6. Suitcases and Backpacks, etc., 7. General inspection of current premises, including baseboards, carpet and rug edges, between folds of drapery or curtains and all window and door molding. TENANT further agrees that if visible signs of bed bug infestation are discovered or if TENANT has knowledge/belief of a bed bug infestation of current residence during term of residency, TENANT shall notify LANDLORD prior to moving anything into premises and follow all protocol as directed by LANDLORD'S pest control professional. TENANT agrees to be bound by LANDLORD's Integrated Pest Management Plan (attached as Exhibit C). TENANT understands that this information is relied on by LANDLORD and must be returned

to LANDLORD prior to taking occupancy. Any false statements and/or misrepresentations may serve as grounds for breach of lease and/or termination of tenancy.

30. TENANT, within 48 hours of receiving the access code for the keys to the premises, will submit to LANDLORD a Move-In / Move-Out Report describing the condition of the premises at move-in time by placing it in the locked drop box located beside the exterior door of the Laundry Room and marked "drop box." If TENANT does not submit the Move-In / Move-Out Report as described above, within 48 hours of receiving the access code for the keys to the premises, describing the condition of the premises, the premises will be considered to be with no problems or concerns and in excellent condition. TENANT will promptly notify LANDLORD of the need for repairs/maintenance. All repair and maintenance requests are to be submitted to LANDLORD by using the link www.cbusbestrentals.com/maintenancerequest.html at www.cbusbestrentals.com and are to be very descriptive. In case of an emergency only, TENANT shall ALSO CALL LANDLORD at 719-337-3762 in addition to submitting the emergency maintenance request at www.cbusbestrentals.com. TENANT will be responsible for any damages caused by TENANT's negligence in reporting any repair/maintenance issue in a timely manner. Regular (non-emergency) maintenance requests, entered on www.cbusbestrentals.com/maintenancerequest.html on a weekday, will be addressed within 48 hours from being entered. Any emergency requests will be addressed immediately, 24 hours a day, 7 days a week.

31. This Lease, Guaranty To Lease, Lead Based Paint Disclosure Form and Integrated Pest Management Plan, as well as any other documents associated with this lease and TENANT's tenancy, may be executed by the parties in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. The exchange of copies of this lease and of signature pages by electronic mail and/or facsimile transmission in Portable Document Format (PDF), or any other method, shall constitute effective execution and delivery of this lease and may be used in lieu of the original lease for all purposes. Signatures of the parties transmitted by electronic mail and/or facsimile transmission in Portable Document Format (PDF), or any other method, shall be deemed to be their original signatures for all purposes.

OTHER TERMS: This Lease, Guaranty To Lease, Lead Based Paint Disclosure Form and Integrated Pest Management Plan contain the final and entire agreement between the parties hereto (including guarantors) and no party (including guarantors) shall be bound by any term, condition, or representation, oral or written, not set forth herein. **EXHIBIT "C" TO LEASE AND RENTAL AGREEMENT
INTEGRATED PEST MANAGEMENT PLAN**

Ohio Revised code Section 5321.05 of the Landlord-Tenant Act requires, in part, all tenants to:

- (A)(1) Keep that part of the premises that he/she occupies and uses safe and sanitary;
- (A)(2) Dispose of all rubbish, garbage, and other waste in a clean, safe and sanitary manner;
- (A)(5) Comply with the requirements imposed on tenants by all applicable State and Local housing, health and safety codes;

A. Prevention

Tenant acknowledges that he/she will use his/her best efforts and care to avoid creating any conditions which would introduce, cause or promote the presence of bugs, vermin and/or insects in the premises or the community property. Tenant's infestation prevention responsibilities shall include, but are not limited to, the following:

1. Tenant acknowledges receiving a copy, and agrees to comply with, Landlord's Integrated Pest Management Plan ("IPM") concerning Bed Bugs prior to taking occupancy of the premises;
2. Do not feed wildlife or stray animals anywhere on premises or community property;
3. Pet food shall be kept in a sealed container;
4. Tenant shall regularly vacuum and clean premises to maintain health and safety standards;
5. Tenant shall not allow trash to accumulate inside or outside the premises and shall remove trash from the premises in a plastic bag and place inside the dumpster and/or trash cans and be sure that lids and doors are closed;
6. Tenant shall not place any furniture, clothing or any other items in the premises that were found or retrieved in or around any dumpster or other trash collection site;
7. Tenant is responsible for thoroughly inspecting and ensuring that used furniture and clothing is free of bugs, vermin and/or insects prior to placing said items on the premises;
8. Landlord recommends that mattresses used or stored in the premises be wrapped or sealed in a mattress cover made of vinyl, plastic or other impervious material that can be sealed.

B. Duty to Notify the Landlord

Tenant shall immediately report any infestation of bugs, insects and/or other vermin to Landlord in writing. Tenant understands that the cost of extermination, and possibly the invasiveness of extermination, will be significantly reduced if the problem is reported as early as possible.

C. Cooperation with Extermination and Treatment Efforts

Tenant understands that the Landlord's extermination and treatment efforts may necessitate Tenant vacating the premises either temporarily or permanently in order for an infestation to be eradicated in the premises or on the project grounds. Tenant shall fully cooperate with the Landlord in preparing the premises for extermination treatments based upon the guidelines provided by Landlord's pest control professional. Failure to fully cooperate with Landlord's instructions or with the Landlord's pest control professional's instructions or failure to provide access to the premises, given reasonable advance notice to enter for extermination and/or treatments, shall constitute grounds for an eviction. If the Landlord is required to reschedule extermination and/or treatment efforts due to the actions or inactions of the Tenant, then the Tenant will be billed for all expenses associated with rescheduling.

D. Cost of Extermination

Landlord reserves the right to charge the cost of treatment, eradication of infestation, and cleaning of infested areas to the Tenant. If the Tenant vacates the leased premises and bed bug infestation is subsequently discovered, Tenant will be held responsible for the full cost of treatment, eradication and cleaning of the leased premises. In the event that infestation spreads from the leased premises, Tenant may also be held responsible for the expense of treatment of such other areas infected. If it becomes necessary for the tenant to temporarily or permanently vacate the premises as part of the eradication/treatment efforts, the Landlord shall not be liable for any cost of relocation. In the event Tenant refuses to pay any invoice submitted by Landlord to Tenant for the cost of extermination of the infestation, this sum shall become additional rent due and payable with the next monthly rent installment. In the event any additional rent is unpaid with the next monthly rent installment, the entire rental payment may be refused as a partial rent payment.

E. Termination of Tenancy

Landlord may terminate Tenants' tenancy and Tenants shall vacate the premises if any of the following apply:

1. Tenants' actions or inactions contribute to or result in a pest infestation;
2. Tenants' action or inactions prevent or hinder Landlords' treatment of an infestation;
3. Landlord, in Landlords' sole discretion, or pursuant to the opinion of a licensed pest control professional, determines that the infestation in the premises and/or adjoining apartments cannot successfully or properly be treated with Tenants continuing to live in the premises;
4. Non-compliance with any other terms of this Provision.
